

GREATER SIOUX FALLS CHAMBER OF COMMERCE  
Young Professionals Network

# Build Connections. Develop Leaders. Empower Success.

The Young Professionals Network (YPN) is a program of the Greater Sioux Falls Chamber of Commerce that connects, develops and empowers professionals under 40. Through events, leadership opportunities and community engagement, YPN enables members to connect with peers, develop their skills and succeed professionally.

## YPN helps your organization

### Develop talent

Build leadership, communication and networking skills among your employees.

### Increase retention

Connected employees stay engaged and loyal.

### Grow your brand

Position your company as a supporter of Sioux Falls' young professional community.

## What members gain

- A front-row seat to Sioux Falls' business landscape
- Hands-on involvement
- Leadership growth
- A dynamic network
- More than 70 networking, personal & professional development and civic engagement events a year

### Investment:

**\$55** annually for  
Chamber members

**\$110** annually for  
non-members

**900+**  
members

**2,500+**  
annual event  
attendees

**70+**  
annual events

**20+**  
steering  
committee  
leaders
